*homy*

Homy si ispira all'effetto legno rovere che è sicuramente il più richiesto sul mercato. Questo perché il rovere è una delle essenze più eleganti ed accoglienti in assoluto ed ha la capacità di creare un ambiente caldo, armonioso e rilassante.

Da qui il motivo del nome della serie Homy, home, casa nel senso più intimo del termine. Il nostro progetto Homy contempla anche la finitura Grip su tre colorazioni delle cinque proposte, per una continuità progettuale IN+OUT.

Il formato del nostro capitolato: 20,3x90,6
